About S.B. Lemons & Company

S.B. Lemons & Company is a strategy consulting firm. Our mission is to provide consulting services in the fields of marketing and international business. We help our clients grow.

Some of our clients seek to enter new markets (be-it domestic or international markets), while other clients aspire to deepen their relationships in geographic areas where they currently operate. Clients ask us to develop marketing and communications strategies in order to advertise their brand and to launch new products and services.

What makes S.B. Lemons & Company different—indeed special—rests on our strategic thinking, dedication to quality, and willingness to serve. Our strategy consultants bring a unique blend of brainpower, global experience, technical expertise, creativity, and passion to each client engagement.

*We help
our clients grow.*
